

How to access Moodle

1. Access the Moodle server

Start a web browser (Firefox, Chrome, Internet Explorer, etc.) and access Moodle.

Access the following address:

<https://moodle.imc.tut.ac.jp/>

2. Log in to Moodle and log in to the course

① When Moodle is accessed, the following screen will be displayed.

Select a category on the screen and select the course you want to view.

② You will be prompted to enter the ID and the password. Enter the ID and the password and click "Log in."

The ID and the password are the same as those issued by the Information and Media Center. (They are shared with the Dream Campus.)

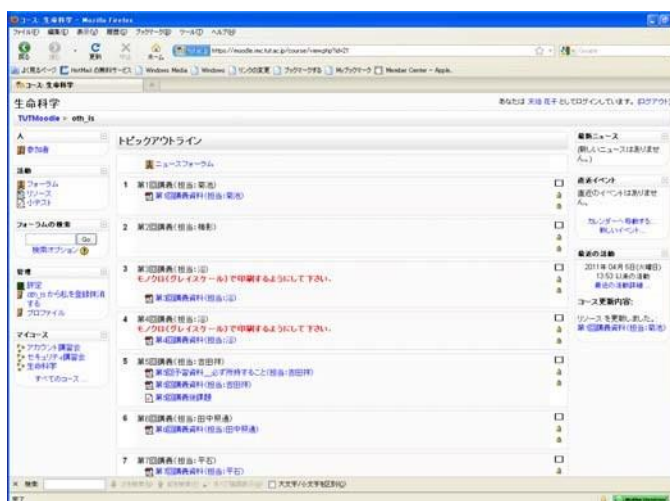

③ When you have logged in to Moodle, you will be requested to enter the "registration key." Enter the registration key given by the supervisor and click "Register for this course."

The registration key will not be requested once it has been entered.

④ Access the necessary course materials (PDF or file).

⑤ To complete, make sure to click "Log out" in the top right-hand corner of the screen.
